Biography

Psalmist Amanda Dixon is an emerging prophetic worshipper who is passionate about seeing the Body of Christ worship the Father in Spirit and in Truth. Anointed like David, as she ministers through singing and playing the piano, lives are transformed through the prophetic songs and utterances. Audiences are transported to a higher dimension where the Glory of God resides.

The depth of her worship was birthed through her struggles with depression and suicidal thoughts. Because music is created by God, it has the ability to be therapeutic and life-saving. Amanda is proof of that and spends her life sharing her gift with the world.

Her amazing and riveting testimony is encapsulated in a quote she is known for, ***“Worship kept me alive.”***
